

January 2025 Science Discovery Camp

Fun Science Experiments: Hands-On Exploration and Amazing Discoveries!

- **Dates:** January 20 - January 24, 2025
- **Time:** 9:00 AM - 3:00 PM
- **Ages:** Year 1 to Year 6
- **Location:** Lingua Links Education

Why Choose Our Science Camp?

Exciting Science Experiments

Inspire children's curiosity and creativity through hands-on experiments and interactive learning!

Daily Themes with Endless Fun

Let kids learn through exploration and experience the wonders of science each day.

Professional Guidance

Led by experienced instructors, we provide a safe and enjoyable environment for learning.

Thoughtful Meal Arrangements

Light lunches are provided during the camp to keep children energized and ready to learn!
